Preview Collection 2026

Discover the latest designs and materials for a relaxed lifestyle in the SUNS collection: eye-catching, spacious and extremely comfortable.

We are constantly looking for the perfect balance between form and function, in combination with the sustainable use of materials. This results in outdoor furniture that is characterized by absolute comfort, high-quality materials and a long lifespan.

Venosa

A modular lounge set with soft curves and a sculptural look. Finished in light bouclé fabric and endlessly flexible in setup.

Venosa

A sofa set that brings together soft curves, bouclé fabric and light tones in a sophisticated setup of a sofa bench and two lounge chairs. Stylish and inviting.

Basta

This sunlounger features warm teak and soft curves, with an adjustable backrest and thick cushion for laid-back lounging in refined comfort.

Basta

A new take on the beloved Basta table — this elevated version features a rectangular teak top with soft, rounded edges for stylish outdoor bar settings.

Pemba

Part of the Pemba line, this dining table combines natural teak with sleek design — a timeless centerpiece for outdoor dining in style.

Palermo

Our beloved Palermo dining table with Neolith top is now available in an impressive 420cm length, with two new Neolith colours.

Sellano

A dining chair with a solid teak frame, dark bouclé seat and elegant rope backrest for comfort with character.

Dolce

We've expanded the Dolce collection with a sophisticated new weaving technique, now also featured in the Nappa, Avero, and Senese ranges. This enhancement brings added texture and depth across the series

Fiavè

Graceful sofa set with a tasteful aluminum frame.

Finished with soft bouclé fabric, a new weave pattern and generously filled cushions for luxurious outdoor lounging.

Fiavè

A modular corner lounge set with sleek lines, soft bouclé fabric and generous cushions.
Flexible in setup, perfect for creating your ideal outdoor retreat.

Fiavè

A generous round daybed with soft bouclé fabric and cushions. Designed for
laid-back lounging, long summer naps and all-day outdoor comfort.

Fiavè

A sophisticated dining chair with a strong aluminum frame and soft bouclé fabric. Offers both comfort and elegance for long, relaxed outdoor dinners

Casto

A set that combines a sculpted frame, stylish rope weaving and soft cushions. A comfortable and stylish centerpiece for relaxed outdoor living.

Casto

A dining chair that combines timeless rope weaving, soft cushions and a sculpted shell for long-lasting comfort at any table.

Casto

A refined lounge chair with high backrest for extra support. Features a light aluminum frame, new rope weaving and soft cushions for optimal comfort.

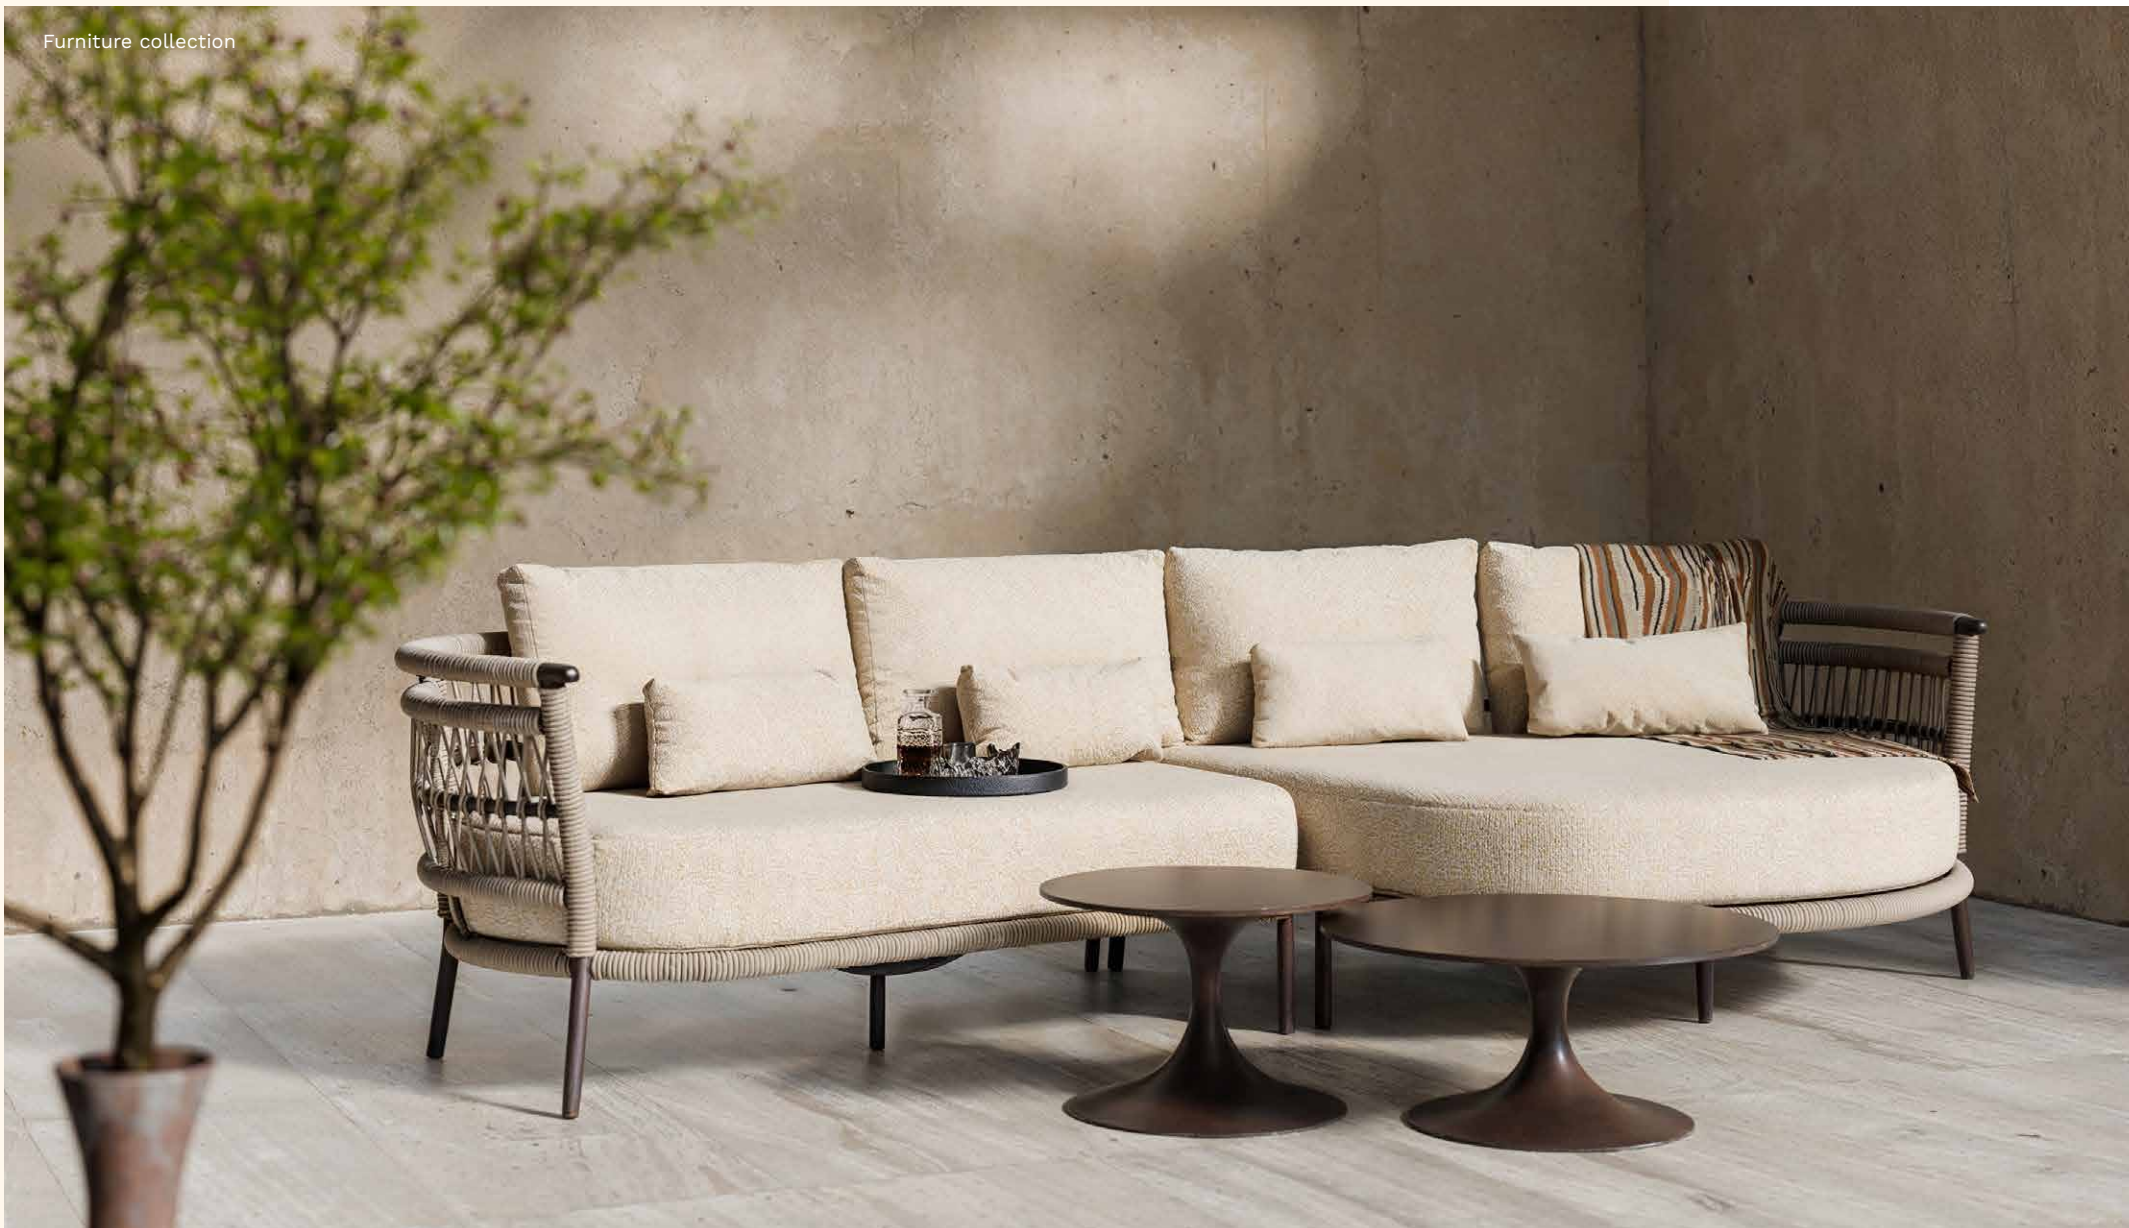

Casto

A daybed that combines a generous rectangular shape with soft, rounded lines. Soft cushions and a wraparound frame create a cocoon-like comfort for outdoor lounging.

Feroli

A lounge set that features soft curves, rope weaving and a modular design.
A stylish and inviting setup crafted for luxurious outdoor lounging.

Bardi

A balance of compact form and generous comfort, combining bronze tones and hand-woven rope in an inviting design.

Vivaro

Curved in all the right places—an elegant bronze frame flows into fabric weaving, forming a refined silhouette completed by a matching lounge chair.

Vivaro

Flowing bronze lines meet modular flexibility.

A statement in design, with the freedom to shape your outdoor space exactly the way you envision it.

Santorini, Vado & Tosca

Inspired by familiar favorites, this trio of barstools brings the design of iconic dining models to new heights.

Largo

From casual dinner to summer gathering—an extendable teak table top with playful slats, framed in durable aluminum.

Isola

Clean lines and light tones meet the strength of sintered stone, timeless and made to bring lasting elegance to any outdoor setting.

Nova

A fresh elevation in outdoor living. This low bar table features sintered stone—durable by nature, refined in look.

Nova

Versatility in its purest form—this set offers layered function and design, with matching tones and effortless character.

Prato

Freedom to turn, style to stay. A swivel base adds dynamic comfort to an already iconic lounge silhouette, finished in elegant ropework.

Fermo

This chair's slim frame and precise rope detailing recall classic shapes with a contemporary edge.

Nuna

Built around effortless comfort, this lounge piece wraps you in deep cushions and curved woven texture—comfort, redefined through soft volume.

Siano

All the charm of its larger sibling, scaled for intimacy. This rounded lounge chair brings the same bold design to a smaller space.

Rondello

Organic forms with a crafted soul. These ceramic-look planters feel sculpted by hand, with textures and natural tones that blend effortlessly.

Kate

A new glow, with crafted finesse. Choose rope or amber-hued glass - both solar powered, both designed to elevate evening moments.

Fay

Redesigned in earthy tones and softer weaves. These solar lights charm in every size, whether standing solo or suspended with a stand.
